The Division of Student Affairs
CAMPUS RECREATION

How We Help Students Do Something Bigger Altogether
Campus Recreation is a place where students can reflect deeper, play harder, grow stronger, explore farther, accomplish more and have fun.

Mission Statement
The Mission of the Department of Campus Recreation is to provide intentional experiential opportunities for students and the UNCG community that promote healthy behaviors and foster student development.

Points of Pride
- A new 225,000 sq. ft. Student Recreation Center is currently in the design phase. This facility will be located in Spartan Village along Lee Street. Construction on the new facility is expected to begin May 2014 with the goal of having it open for students in the fall of 2016.
- The Team QUEST program provides a shared experience that promotes positive group development. Both on campus groups and external organizations use the program to improve communication, performance and relationships.
- Outdoor Adventures offered the first Spartan Wilderness Orientation Program. This six-day program utilizes small group wilderness trips to provide first-year students with an opportunity to establish community and friendships as well as provide an adventurous transition to life as a UNCG Student.
- An exit survey of student employees confirmed the development of transferable skills through employment including; leadership, problem solving, decision making, communication and multi-tasking.

By the Numbers (2011-2012 Academic Year)
- A total of 281,117 visits to our facilities were recorded: Student Recreation Center (261,960), Rosenthal Pool (9,601), Recreation Field (4,452), The Edge Climbing Wall (4,836) and Piney Lake (268). This represents a 4.95% increase from the previous year.
- For the fifth consecutive year, the Group Exercise program exceeded its highest record in participation with 23,662 - a 9% increase from last year.
- Outdoor Adventures continues to be popular with our students. Students participated in our activities including; trips (334), clinics (60), climbing wall (910) and rentals (53).
- Over 1,300 individuals participated in at least one Intramural Sports activity, and 62% of them returned for a second activity. Overall women’s participation increased by 26%.
- Club Sports was comprised of 14 clubs with a combined 457 participants, which was an 8.8% increase over the previous year.
- As one of the largest employers of students at UNCG, we had over 180 students working for our department in various positions.
