The Division of Student Affairs
STUDENT HEALTH SERVICES

How We Help Students Do Something Bigger Altogether
Health and wellness are our business. Caring is our specialty.

Mission Statement
The mission of Student Health Services is to enhance the physical, psychological, environmental, and health education status of UNCG students. As a health organization operating within an academic institution, the Student Health Services is committed to the support of the educational, research, and service missions of the University.

Values Statement:
The UNCG Student Health Services is guided by the values of:
- Provision of student-centered services
- Multidisciplinary and collaborative approaches to healthcare
- Professional excellence, responsiveness, and ethical practice
- Multicultural inclusion, respect, and equality

Points of Pride
- The Medical Clinic has been accredited by the Accreditation Association for Ambulatory Healthcare since 2004
- In December 2011, the UNCG Counseling and Testing Center received full accreditation from the International Association of Counseling Services
- UNCG’s Wellness Center ranked among the top 10 screening sites for the 2012 National Depression Screening Day based on the number of people served.
- “Wellness Wednesdays” are held in the Elliott University Center each Wednesday during the lunch hour, providing students and staff with convenient access to blood pressure and blood sugar screenings on a weekly basis.
- The Medical Clinic has been a site for the State Influenza Study for 5-7 years.
- The Medical Clinic provides educational and professional training to UNCG Nurse Practitioner students, students from the Wake University School of Medicine, Health Administration students from GTCC, and Family Practice Physicians completing Sports Medicine Fellowships from Moses Cone.
- During the 2012 calendar year, staff attended to 16,365 appointments at the Medical Clinic (including Sports, Women’s Health and Nursing), 3,660 appointments for Immunization, and 1,997 appointments for Psychiatry.

By the Numbers (2011–2012 Academic Year)
- 2,791 students participated in programs related to sexual assault, harassment, and dating violence. An additional 600 students signed a pledge vowing not to engage in dating violence.
- Counseling and Testing Center staff members provided a total of 6,202 individual client counseling sessions.
- In 2012, over 400 students participated in the Alcohol Free Fun Fest, which helped show students how to have a great time without alcohol.
- In 2012 The Wellness Center achieved a compliance rate of 98% in the first implementation of AlcoholEdu to all first year students.

The Medical Clinic
Services provided include:
- Primary Medical Care
- Women’s Health
- Blood Pressure Checks
- Immunizations
- Allergy Injections
- Flu Shots
- Laboratory & Digital X-Ray
