SMOKING REGULATIONS

Smoking is not permitted in University buildings. Smoking shall be prohibited outdoors within 25 feet of any campus building unless designation otherwise has been provided. Wherever possible, ash urns and other provisions currently made available to smokers should be relocated to positions outside the 25 foot perimeter of buildings. No facilities shall be approved or areas otherwise designated within 25 feet of any entrance, heavily traveled path/walkway, outdoor air intake, or operable window.

POLICY FOR MEDICAL INSURANCE FOR INTERNATIONAL STUDENTS

All international students are required to purchase the University medical insurance policy while they are enrolled as a student at UNCG. This regulation is in keeping with The U.S. Citizenship and Immigration Services (USCIS), and the US State Department expectations that universities verify that students are able to support themselves while studying. Clarification or more information regarding this policy may be sought in the International Programs Center.
