OVERVIEW

After offering a hybrid approach to services for the 2021–2022 academic year, Career & Professional Development shifted towards a “new normal” post-pandemic for the 2022–2023 academic year. CPD engaged 13,002 total students in 2022–2023, up from 10,158 students in 2021–2022. Of those, 7,456 were unique engagements which surpasses our 6,025 goal. Individual coaching appointments increased with us reaching 105% to last year’s number, and job applications remained stable with us reaching 95% of last year’s applications. In addition, Coaches presented 94 classroom presentations reaching a total of 1,493 unique students.
