OVERVIEW

The Elliott University Center (EUC) serves as a welcoming hub for campus life at UNC Greensboro. Seeking to enhance the collegiate experience for students, the EUC provides a venue for learning, entertainment, social interaction and opportunities for self-development.

Additionally, the EUC provides a secure and accessible physical environment for meetings, conferences, workshops, and staff development to students, faculty, staff, and the greater Greensboro community.

Campus event management and support, class ring distribution, Facility management, AV Tech support, campus blood drives.
