

# OFFICE OF ACCESSIBILITY RESOURCES & SERVICES

*collaborate with UNCG's diverse community to ensure that all aspects of campus life are accessible.*

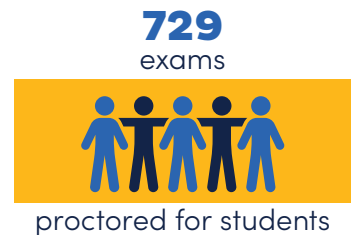

[oars.uncg.edu](http://oars.uncg.edu)

## OVERVIEW

The Office of Accessibility Resources and Services noted an increase in connected students. With the assistance of new technology, OARS was able to simplify and streamline the process to support students. Through a partnership with Student Success, OARS opened the “new” University Proctor Lab to assist students with testing accommodations. OARS also piloted a sensory lounge in the EUC in collaboration with SGA and campus stakeholders.

## BY THE NUMBERS

**1977** students  
received accommodations
